Rishikesh, 249201 (India).

SKILLS

- Leadership
- Teamwork
- Communication
- Management
- Decision Making
- Adaptability
- Critical Thinking
- Microsoft Office
- Python Language
- R.F. Generator
- Scroll pump
- Power Supply
- Oscilloscope
- Matlab Software

EDUCATION

M.Sc. (Physics) 2014-2016
Pt.L.M.S. Govt. (Autonomous) P.G. College,
Rishikesh

85.58%

- H.N.B. Garhwal University.

B.Sc. (PCM) 2011-2014
Pt.L.M.S. Govt. (Autonomous) P.G. College,
Rishikesh

84.77%

- H.N.B. Garhwal University.

National Level Exams Qualified

- JEST 2022
- GATE 2022
- GATE 2023

LANGUAGES

English 
Hindi 
German 

PROFILE

An active and ambitious student who took part in various Physics related programs and molding them into experimental work to make knowledge more efficient and is eager to explore more research area with skillful knowledge and experience to benefit the upcoming generations. Devoted most of the time in labs during my postgraduate period to learn things more precisely and effectively to verify theoretical explanations with experimental results made me to do challenging research.

RESEARCH EXPERIENCE

Masters dissertation

PMMA-MWCNT Composite for X-Ray Sensing 2016

Dissertation's Experimental work in which we designed a Composite of Polymethyl methacrylate & Multi-walled carbon nanotubes (Purity Greater than 97%) for X-Ray Sensing was completed at Deen Dayal Upadhyaya College (Delhi University) Under the guidance of Dr. Kulvinder Singh was submitted under research project for M.Sc.

SEMINARS AND WORKSHOPS

Global Navigation Satellite System and Location Based Services March 2022

- Took part in 12 days (21st February - 4th March 2022) online course on Global Navigation Satellite System and Location Based Services conducted by Indian Institute of Remote Sensing (IIRS) Dehradun and was organised by Department of Space, Indian Space Research Organization (ISRO).

Virtual Symposium: International Day of Light (IDL-2020) May 2020

- Attended the Virtual Symposium on YouTube Live event on 16th May 2020 organized by IEEE Photonics society and SPIE student chapters, Department of Physics, IIT Guwahati.

Light and Light Based Technologies (SLT-2016) Feb 2016

- Visited and attended two days (13th -14th February 2016) seminar on the occasion of International Year of Light 2015. It was organized by Optical Society of India (Local Chapter) & Doon University, Dehradun.

Electronic Components: Identification, Testing and Applications Oct 2015

- Participated in the seminar organized by our college and sponsored by Indian Association of Physics Teachers. Took part in Science exhibition and secured First place.

Workshop and Hands on Training on Synthesis and Characterization of Thin Films May 2015

- Attended the two days (31st March-1 st April 2015) workshop in which I gained working of vacuum pumps, thin film Sputtering PVD machine and witnessed glow discharge phenomena. It was organized by Department of Physics, Gurukul Kangari University, Haridwar and sponsored by Technology Applications Services, New Delhi.
